MEMORANDUM FOR THE RECORD

SUBJECT: DDCI's Request for Information
for 28 May SIG(Space) Meeting

The DDCI called me today to ask for information on the NRO's planned Shuttle launch rate. The NRO staff provided the following information which was passed to [redacted] for the DDCI's use:

25X1

25X1

These estimates are based on the NRO program managers' spring submittal to D/NRO. The NRO staff advises that these estimates are unchanged from previous forecasts and apply to shuttle launches only (CELV launches are additive). [redacted]
